

YapStone Announces New Senior Account Executive

YapStone, Inc., through its RentPayment™ and VacationRentPayment™ divisions, is the Country's largest payment processor to the property market, focusing primarily on apartments, student housing, homeowner associations and other property-related markets.

SAN FRANCISCO, CA, APRIL 6, 2009

Aaron Blockley has joined Yapstone, Inc. as a Senior Account Executive. His most recent position was as a Senior Account Executive at PayPal, Inc., where he sold Payment Gateways and Merchant Accounts into Software Providers and Large Merchants. Previously, Mr. Blockley had been an Account Executive with VeriSign, Inc.

Mr. Blockley has over 7 years of experience working with Merchant Banks, Web Developers and Custom Software Providers. He has also managed relationships with companies such as the Democratic National Committee, the Republican National Committee, BMW, GMAC and the Obama Election Campaign.

Mr. Blockley holds a B.S. in Marketing from San Jose State University.

About YapStone

Yapstone, Inc., the industry leader in electronic payment processing to the property management industry, provides credit card processing, ACH and remote deposit capture (check scanning) services through their best-of-breed YapStone Integrated Payment Platform. Founded in 1999, San Francisco-based YapStone processes billions of dollars in annual transaction volume and currently operates three offices across the US.
